

CHRISTMAS TREE & WREATH FUNDRAISER

Orders and payment are due November 20th. Due to an extreme shortage of trees this year we have had to place an order earlier than expected and cannot guarantee that we will have the tree you have ordered. We will do our best to accommodate each order.

Trees will be **delivered within Winnipeg on December 3rd**. This year, the funds will go towards upcoming training opportunities for young athletes.

Whether you buy your tree from us or not, we're offering an option to pick up your tree when you're done with it for only \$20. Please have your tree visible outside your residence before 9 am January 14th.

Customer Name: _____ Phone Number: _____

Address: _____

Email Address (optional): _____

Delivery Instructions (leave at front door, back door, porch): _____

Tree Type	Size	Price	Quantity	Total
Old Fashioned Fraser Fir The best type of tree for needle retention. Short two-toned bluish/green and silver needles.	6-7 ft.	\$90		
	7-8 ft.	\$95		
Semi-Sheared Balsam Short needles with excellent fragrance. Fuller tree than Fraser Fir but the needles don't last as long.	6-7 ft.	\$80		
	7-8 ft.	\$85		
Christmas Wreath Locally hand-crafted with a mixture of Fraser and accent Pine branches. Decorated with a bow, pinecones, and small decorations.	20-24"	\$40		
Christmas Tree Pick-up (January 14th)		\$20		
			TOTAL
